WHAT WE DID

OVER THE PRECEDING MONTHS, WE CONDUCTED A COMPREHENSIVE ANALYSIS OF 12 TRAINING AND INCUBATION INITIATIVES TARGETED AT INDIVIDUALS FACING SOCIAL EXCLUSION. ADDITIONALLY, WE FACILITATED 5 LOCAL FOCUS GROUPS TO ASCERTAIN THE SPECIFIC NEEDS OF INDIVIDUALS VULNERABLE TO SOCIAL EXCLUSION. FOLLOWING THESE ASSESSMENTS, WE METICULOUSLY FORMULATED AN INCUBATION FRAMEWORK COMPRISING 6 MODULES, WHICH ENCOMPASS THEORETICAL COMPONENTS. MOREOVER, WE DELINEATED A STRUCTURED MENTORING PROCESS AND OUTLINED THE METHODOLOGY FOR TRAINING DELIVERY.

NEXT STEPS

We are currently preparing for the subsequent phase of the project, during which we will embark on the development of an online platform tailored to facilitate the implementation of our incubation program. This platform will serve as a pivotal tool aimed at empowering and providing robust support to individuals at risk of exclusion as they navigate their entrepreneurial endeavors.
